

Heritage Committee

### **Report to the Management Committee meeting of 21 May 2014**

1. The revision to the *Stanford Style* booklet is complete and is on the website. The OM will only print 100 copies; any additional will be for our account. Quote for a further 100 copies is R2500. Decided to hold the decision to print any more copies until after the launch.

SH committee members will deliver copies to estate agents and the OM. The old version will be uplifted.

2. Stanford Overlay Zone: previous inputs have been updated and a submission made to the OM in advance of their consultants' starting the project.
3. Heritage Western Cape: MJR has written to Andrew Hall informing him of the committee changes and requesting a response to our letter of May 2013. (This dealt with the renewal of the SCT's heritage status and the dissemination of information from HWC.)
